March 2017

A week in the life of Topaz Class!

At the beginning of the week..... Year 6 attended the Shakespeare Focus Week at IntoUniversity. As part of their week, they took part in a rapping workshop where they rapped Act II , Scene 1 from 'A Midsummers Night Dream' and then went on a tour of Shakespeare Globe theatre. Here is a picture of some of our class rapping to Shakespeare! (By Isamar)

Next.....

My favourite time at IntoUniversity was when we went to Shakespeare Globe and Bishr dressed up as a girl in Elizabethan era (as in those days boy actors would play girls on stage). It was so funny! We also learnt the differences between how rich and poor people dressed in Elizabethan times.

Our school uniform....

Tesco has offered to supply our school uniform, so our Office Manager asked them for a sample of the jumper. We were pleasantly surprised! Our school logo is much bigger and brighter, and it has fleecing inside. So if you are thinking of buying a new school jumper, please contact our school office for more information . It is important that parents/carers remember that by agreeing for your child to attend our school, you have accepted that you will ensure that your child always wears the correct school uniform. Please help us keep up our tradition , by making sure your child is always wearing the correct school uniform. We will be doing another uniform check in April 2017. Thank you to all the parents/carers who always make sure that their child is wearing the correct school uniform, it shows that your child is a proud member of Victory Primary school!

Cambridge University - Pembroke House

Followed by

During Focus Week at IntoUniversity, we did activities around 'A Midsummer's Night Dream' and 'Macbeth'. We made a poster about 'Macbeth' and rapped a scene from 'A Midsummer's Night'. I learnt that rapping is not about speed from a famous Actor - Ollie Mason - who led the workshop.

I had the world's best experience when we went to Cambridge University - Pembroke House. We were given a tour of the grounds and some of the buildings too by Students of Cambridge University. We were given an insight as to what life is like as a student at the university.

During this week, I have learnt that there are over 100 universities all over the UK; you can choose from over 50,000 different courses and at university, you can join lots of clubs and societies to make new friends and try some new and exciting things.

Finally.....

The best day with IntoUniversity was when we went to Cambridge University because we got to do a mini graduation. I learnt a lot about universities and now I really want to go to Cambridge University and study law to become a barrister!

(By Bishr)

I liked going to Cambridge because there was lots to learn about. Our graduation was fantastic and fun. We had an opportunity to look around at some of the buildings and present our group performances to each other.
