Reply slips will be sent out today with your child, so please check their school bag. This will be a wonderful afternoon, and children will be able to talk about it in years to come. So don't miss out, come along and support your child and our school!

ICT and DT....

Year 1 have been using beebots in ICT. They have been learning about coding, algorithms and creating a set of instructions for their beebots to follow. They had lots of fun!

As a part of their topic on Toys', Year 1 also worked in groups to make their own moving toy cars. Thank you to all of the parents who provided the cardboard boxes, it was a massive success!

Second Hand uniform sale, save money and time!

We still have some items of uniform for sale, which can be purchased from our school office., instead of going to our uniform shop. All the items on sale have been washed and are in good condition. Stock up for the next academic year, and remember nobody will know whether your child's uniform is new or second hand, more to the point, who cares! So please do not be shy about purchasing second hand uniform!

Art and craft afternoon.....21.6.2019

Throughout the year we have celebrated different subject areas and invited parents/carers to take part in workshops and special afternoons. This has been very well attended and all parents, carers, children and staff who took part have really enjoyed the experience. Our last curriculum open afternoon will focus on children's artistic and creative skills. Each class will have activities for children and their parents/carers to complete, using all their creative ideas and skills. Please do not worry if you were not very good at art, it's the taking part and supporting your child that matters! Further details about this exciting afternoon will follow shortly.

PTA

Since the relaunch of the PTA, we now have several parents coming forward to help support the various summer term events. With our forthcoming Family Picnic, 11 parents have offered to help, meanwhile 12 parents have agreed to support us with Sports Day and the Cultural Celebration Afternoon. This clearly demonstrates the healthy relationship between our parents and our school. Thank you to all parents/carers who have already offered their support, for those of you who haven't signed up to support an event, it's not too late, please contact our school office.
