

Victory Primary PE Sports Premium Plan 2017 - 2018

Objective	Action	Desired outcome	Assessment of Impact	Impact / Outcome
PE curriculum meets the needs of children	Review PE curriculum	The engagement of all pupils in regular physical activity	PE Curriculum reviewed	PE curriculum reviewed, coverage meets the needs and interests of pupils.
Teacher's understanding and confidence in teaching PE is increased	Professional development for teachers (team teaching from LPESSN) Playground development - training for mid-day meals supervisors include in appraisals	Increased confidence and skills of all staff in teaching PE	Staff Evaluation	Team teaching with class teacher has increased the confidence and quality of PE lessons. This will be further developed next year. Senior leadership observations of MMS shows that their organisation of activities and engagement with children has improved.
Children have an varied diet of sports activities	Increase extra-curricular sports clubs Purchasing equipment and resources to develop non-traditional activities 'Get active week' Swimming lessons	Broader exposure of pupils to a range of sports and activity	School council questionnaire	After school sports clubs in key stage 2 and key stage 1 (LSBU) has further increased. Get active week completed – range of daily activities led by class teachers, positive physical impact on children and staff. This will be repeated next year. 50% of children at the end of KS2 could swim 25 metres or more.
Children understand why it is important to keep active	Review science and PHSE curriculum	Children have an understanding why they should develop a healthy lifestyle	Pupil's books	Evidence seen in science books, assemblies and feedback from children.

VISION – We strive to ensure that all pupils leaving our school are physically literate and with the knowledge, skills and motivation necessary, to equip them for a healthy lifestyle and hopefully a lifelong participation in physical activity and sport.
