December 2019

Christmas Victory.....

Season's Greetings to you all !

Happy children, impressed parents, proud staff and Headteacher!

EYFS and KS1 Christmas Concert was called ' Follow the Star'. The acting, singing and actions (yes each song had it's own unique action) was brilliant and everyone remembered the words to the songs, actions and their acting parts!

KS2 performance just gets better and better each year! This year their production was called ' Stable Manners'' and contained animals who continuously argued with each other, robbers who believed stealing items were a good idea, until Mary sorted them out, and Mary and Joseph singing a lullaby so sweet even that even babies in the audience were soothed by the gentle reassurances that everything will be ok. Wednesday was a very special, warm and joyous day, as it began with EYFS and KS1 performance and ended with KS2 performance.

PTA.....

Earlier in the term, the PTA met and discussed various ways they could raise money to help our school. One of their ideas was a 'Bring and Buy Sale'. With the help of Mr Laughton and Ms Ann Marie, the PTA raised £109. Thank you to the PTA and all the friends and families who donated items as well as all the parents, friends and family who came along and purchased things.

Parent Governor.....

Sadly our previous parent governor has resigned as she her family have ended their stay in England and have returned back home. So we are now looking for another parent governor to contribute to our governing body. If you have the time and are interested in helping the governors and myself make a positive difference to the lives of our children, please don't be shy, contact our school office leaving your name and contact details.

Christmas Dinner

The feedback from the children clearly showed that they really have enjoyed the school dinners this term. They are grateful that the kitchen staff have taken on board the feedback from the children and have amended the menu to meet the nutrition guidelines, but also the taste and desires of the children. I would therefore like to say 'Thank you' to Lisa and her team for now providing food which not only do the children want to eat, but also has some flavour! The year 6 have studied the menu for Spring 2020, and I have fed this back to the catering company. This is real children's voices in action!

Warmest thoughts and best wishes
for a wonderful holiday
and a Happy New Year.
May peace, love and prosperity
follow you always !

Dates for your diary

Last day of term — 19.12.19 at 3.30 pm
School re-opens for children — 7.1.20 at 8.55am
