

My name is Hanifa, I am six years old and I am in year two at Victory Primary School in Southwark London. This month we are celebrating Black History Month in our school and our teachers have been talking about inspiring people.

Our class is very excited because you are the personality for peace and a brighter generation we are going to be studying. If you do not mind, I would like to ask you a few questions. What is your favourite vegetable? How do you feel being the first African-American first Lady?

Our teacher, Miss Maria, told us that you started a project named Let's Move in 2010 and we watched some videos about it.

Why is it important to vegetables?

How fun is it to do exercise?

After listening to you and your husband, Barack Obama, I think that you are the funniest and greatest woman of all. You are an inspiration to all children in the world.

I am going to teach Reception class how to skip and do
exercise because it is fun and healthy.

Hope you can answer our letters.

Yours sincerely,

Hanifa
