

# Each one, teach one teach one!

## Black History Month

Black History Month this year was another huge success! Lots of friends and families attended our exhibition, and took part in the many quizzes and activities which the children had developed to test the parent's/carer's knowledge. The children also shared lots of information about their displays and spoke with eloquence and confidence!

It was wonderful to have lots of friends and family back in school, and the feedback we received from children who visited the exhibition and their parents/ carers was extremely positive.....

100% of the parents/carers who attended the exhibition strongly agreed or agreed that:-  
The children's work was of a high quality  
The children spoke clearly and explained their work well  
I enjoyed the exhibition  
I learnt something new

They also gave some positive feedback.....  
"The exhibition was so great."  
"Well done the teachers. The children did a great job."  
"Good work well done."

Thank you all the children and staff for your hard work, another very successful Black History Month Exhibition!

## Proud to be me....

For PSHE (Personal Social Health Education), Emerald Class have been working on 'Proud to be Me'. We have thought about our favourite things, our family and which country we came from. We also created an acrostic poem, about ourselves and our lives, around the topic of our names. At our school, Victory Primary, we like to think positively and we wrote about how our positive thoughts, can eventually become positive actions for the future.

## Charlie Chaplin....

Amber Class investigated Victory Primary School's rich history and discovered that one of the most iconic personalities in the history of cinema, Sir Charlie Chaplin, attended our school around the age of five. Amber class researched about his life and performed their class assembly around this topic. As you can see, we even had Sir Charlie Chaplin come to our class assembly.

## Diwali

To all our friends and families who celebrate Diwali, Happy Diwali!

## PTA

The PTA had their first meeting during October, it was very well attended! Parents/carers had the opportunity to work with our Deputy Headteacher and Chair of Governors to explore how we can all work together to organise fun activities. One of the fun activities which parent/carers suggested was a parent and children Christmas cards afternoon. I thought this was a fabulous idea, so later this term, we will be inviting parents/carers into school to design Christmas cards or seasonal cards with their children.

GET INVOLVED!  
MAKE A DIFFERENCE!!

### School Uniform Checks.....

Our school uniform shows that we are a proud member of Victory Primary school, therefore it is important that all pupils wear the correct uniform every school day. By agreeing for your child to attend our school, you have accepted that you will ensure that your child always wears the correct school uniform. Parents whose children are wearing incorrect uniform will be receiving a letter shortly. If you receive a uniform letter, please can you make sure that your child is wearing the correct uniform. If you are experiencing financial difficulties, please contact our school office, we have lots of good quality school uniforms in our lost property box.

Also to support the return of any lost / misplaced clothing, please could parents / carers ensure that all of your child's clothing is labelled, as staff cannot be held responsible for any clothing which has been lost by children.

### Going out and about .....

One of the things which we were unable to do during the pandemic was to take children out on class trips, so that they can learn beyond their classroom. I am really pleased that we have now begun to take children out. All classes in KS2 will be shortly going to Hay-market cinema. Other classes will also be going out and about later this term.

### Ruby Class.....

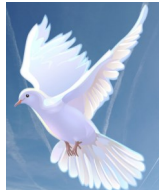

Our new topic is about People who help us. Ruby Class invited Miss Lisa and Mr Michael to come into our class so that we could ask them questions about their jobs. Here are some of the questions the children asked them.....

- What do you do in the kitchen?
- What special food do you like to make?
- How long have you been cooking?
- Why do you have a ladder?
- How do you change the lights?

### Poems by Topaz Class....

#### If I had wings

If I had wings,  
I would touch the clouds  
That are as fluffy as pillows

If I had wings,  
I would taste the falling cold snowflakes  
That are shiny like diamonds

If I had wings,  
I would listen to the birds twitter  
As they fly through the sky

If I had wings,  
I would smell the sweetness  
Of the cotton candy clouds

If I had wings,  
I would gaze in wonder  
At the clouds forming into animals

If I had wings,  
I would dream of walking in the Atlantic Ocean  
And swimming through the Amazon Rainforest.

By Mercy

### Poems by Topaz Class....

#### If I Had Wings

If I had wings, I would  
Stroke the sun's fingertips in the sky

If I had wings, I would  
Relish the flavour of the soft marshmallow in the sky

If I had wings, I would  
hear the harmonies of the birds chirping

If I had wings, I would  
Inhale the odour of the cheesy moon

If I had wings I would  
Gape at the cotton clouds in the sky

If I had wings I would  
Dream of flying the seas  
And swimming the sky
